+ To help reduce weight while maintaining the strength and stiffness of the wheels, the CH-R & CX-R wheels receive a special "Backmilling" operation to remove material from between the spokes. This "Backmilling" operation was developed from our Motorsports Department.

\* The 18x8 CH-R is a 5-100 application only / 38mm offset

\*\* Limited availability for CK "Anthracite" finish wheels.

\*\*\* The 18x8 CO wheel is a 5-112 VW/Audi application only /

\*\*\*\* The RW & RD Truck wheels are offered for 6-139 General Motors and Nissan Armada/Titan applications only.
